Dear Sir:

In response to the Notice Regarding Drawings mailed 3-19-04, please enter the six sheets of formal drawings as replacement sheets in the above-referenced patent application. The thickness of lines illustrating elements of the figures, lead lines and hatching has been increased in several instances in response to the Notice of Draftsperson's Patent Drawing Review, item 10, and in light of the telephone conference with Mr. Joshua D. Chase of the U.S. Patent and Trademark Office on 3-25-04. The undersigned invites the Office to telephone him if further objections arise.

Respectfully submitted,

Scott Hewett
